La liste du personnel des END actuellement certifié par RNCan

Dernière mise à jour = le 7 juillet 2016

Bienvenue au répertoire du personnel certifié de l'Organisme de certification national en essais non destructifs (END).

Veuillez noter: Tout le personnel figurant sur la liste du Personnel Certifié sont déjà certifiés, même si ils n'ont pas reçu leur carte de certification à jour de RNCan.

Les candidats qui doivent renouveler leurs certifications doivent réussir leurs examens de recertification avant la prochaine date prévue de renouvellement de la certification en END. Durant la période de transition prévue pour la mise en œuvre de la norme CAN/CGSB 48.9712-2014 / (ISO 9712:2012, IDT), et une fois que les clients auront renouvelé leur recertification, leurs certificats seront valides jusqu'à la prochaine date de renouvellement de la certification en END, toutefois leur certification est renouvelée sur une base conditionnelle en attendant qu'ils réussissent leurs examens de recertification. Les candidats qui ne passent pas leurs examens de recertification d'ici la fin de la période de validité de leurs certificats ne verront pas leurs certifications renouvelées après la présente date d'expiration.

IL EST RECOMMANDÉ QUE LES EMPLOYEURS ET LES CLIENTS VÉRIFIENT LES PRÉTENDUES CERTIFICATIONS DU PERSONNEL D'END EFFECTUANT LE TRAVAIL.

Les particuliers et les entreprises sont encouragés à se protéger contre la fraude et les éventuelles complications financières ou juridiques en adoptant comme pratique courante de vérifier la situation des particuliers qui seraient prétendument en possession d'une certification en consultant cette liste, affichée sur Internet, du personnel actuellement certifié par RNCan.

- N'acceptez pas une image d'une carte de poche produite par un télécopieur comme preuve de la certification; vérifiez directement l'information envoyée par télécopier par rapport à cette liste de site Web.
- Afin de protéger la réputation de la certification de ONGC/RNCan et d'éviter des ramifications légales ou financières, vous êtes prié d'alerter RNCan à toutes les irrégularités que vous pouvez percevoir dans la certification des particuliers.

Cette liste de personnel des END actuellement certifié par RNCan a été produite chez RNCan et était exacte à la date indiquée. Tous les changements de cette information sont strictement interdits et peuvent être illégaux. L'utilisation de cette information à d'autres fins que celles prévues par par RNCan peut être illégale et/ou une infraction au Code de conduite pour le personnel des END.

Veuillez prendre note que l'organisme de certification national en essais non destructifs (END) de RNCan déploie tous les efforts raisonnables afin de veiller à ce que les demandes des candidats, les demandes d'examen et les soumissions de certification soient traitées conformément aux objectifs des normes de service. Malgré cela, l'éventualité d'une erreur, d'une omission ou d'un retard ne peut être complètement écartée, et RNCan ne peut être tenu responsable des coûts, des dépenses ou des retards directs et indirects qui pourraient éventuellement survenir.
